### Designer Curtains

Styling windows is our mantra, one we embarked upon and became passionate about 25 years ago. In this journey, we have serviced windows of the famous and not-so-famous, we have wowed the style gurus and we have set service-benchmarks for the industry. Today our brand MAGNUM epitomises designer products created with the best available materials, backed by exceptional service standards.

Over the years, we have designed an innovative and exhaustive range of window solutions to become the market leaders. Each solution is designed to meet the individual needs of different rooms and corners of a home, office, hotel, hospital, or retail outlet. Our exclusive range offers complete interior and exterior solutions at the most competitive prices.

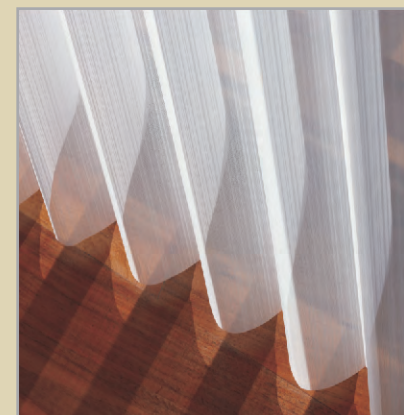

The well thought-out Curtain Rods, Window Blinds, Insect Screens and Awnings designs are a perfect way to enhance the formal, contemporary, casual, fun, cosy or romantic ambience of your rooms. MAGNUM's mantra is now our core strength enabling us to deliver style elements that you dream of for your windows.

option  
available

## DROP ARM AWNING

Drop Arm Awnings may be simple but they exude sophistication. Sprung, pivoted side arms triangulation of the awning mechanism provides for high strength and tolerance against winds.

## VERTICAL AWNING

Style aficionados will love the intensity of colours and designs of our Vertical Awnings. You can now relax and enjoy your verandas and balconies in privacy while being protected from the sun and rain.

## WINDOW AWNING

Window Awnings add stylishness to your interiors while guarding your doors and windows. The canopy design of these foldable Awnings provides maximum shade and side protection.

## FIXED AWNING

Create an ambience of chic with the addition of Fixed Awnings. Available in an exciting array of patterns and colours, our Awnings are custom made with welded steel frames covered with U.V. resistant durable fabrics.

## GAZEBO

You can enjoy your outdoor space with the canopy top replacement for your Gazebo. They will stand severe tests against sun and rain to provide you pleasing and cozy get togethers with family and friends. You can add more flair with the Scalloped Edges.

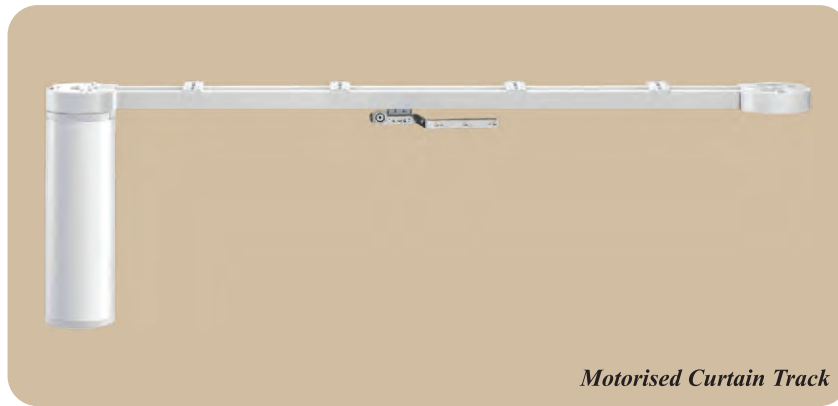

## TRACKS

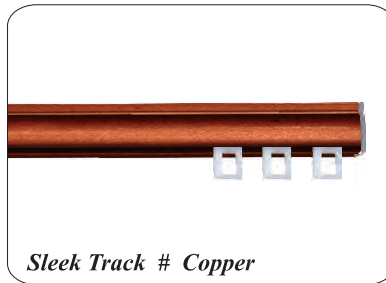

Tracks create an effortless style for your windows. Tracks are used for smooth and noiseless movement of curtains, and fabricated using premium quality metal. Available in different models, Curtain Tracks are easy to install and operate, offer a high utility value and are suitable for light, medium and heavy weight curtains.
